Kendall Learning Resources

For all classes

<i>Websites</i>		<i>Descriptions</i>
www.ixl.com		This website includes educational practices for all content areas from pre-k to 12th grade. This is great to review information and practice new skills if interested.
www.kahoot.com		This website is an educational game that involves time and competition if played with more than one player. This is great to review information learned previously.
www.abcya.com		This website has a lot of educational games in different content areas. This is a cool way to engage students' learning, but at the same time, playing!
https://kids.nationalgeographic.com/		Website with so much information to read related with science and social studies.
www.khanacademy.org		Students practice at their own pace, first filling in gaps in their understanding and then accelerating their learning.
www.code.org		Learn computer science. Change the world. You can create your own projects.
https://mrnussbaum.com/		Website that offers learning for all subjects.

Learning ASL

<i>Websites</i>		<i>Descriptions</i>
ASL Connect		ASL Connect is a resource that is provided by Gallaudet University. The contents are created by Deaf ASL fluent scholars that provide different basic ASL videos. ASL Connect offers basic online resources, but also offers highly engaging and interactive ASL and Deaf Studies courses online.
http://aslized.org/		ASLized fosters the integration of American Sign Language (ASL) educational research into visual media and literacy. The main objective is to produce teaching and learning materials in ASL with two focuses: 1.) ASL literature, preserving culture and history and 2.) ASL Linguistics, promoting a better understanding of the complex structure and use of sign languages.
https://www.youtube.com/results?search_query=asl+storytelling	ASL Storytelling	ASL Storytelling, ASL Vocabulary, and ASL Rhythms & Rhymes
https://www.youtube.com/channel/UC698vtbs4-Q1zcodfmPJUNQ		Ian Sanborn is a great ASL storyteller. He makes a lot of stories that are easy to follow.

Bilingual Language Arts

<i>Websites</i>		<i>Descriptions</i>
www.getepic.com		This website has a wide range of books in genres and levels for students to pick. Each student has their class code - ask your teacher for the class code if the student forgot. This is a cool way to read during down time.
https://newsela.com		This website has a variety of content that students are able to read. It consists of current events with broad themes such as politics, science, health, etc. Some students have access to Newsela, if the student forgot their password, please ask your teacher.
https://classroommagazines.scholastic.com/support/learnathome.html		Even when schools are closed, you can keep the learning going with these special cross-curricular journeys. Every day includes four separate learning experiences, each built around a thrilling, meaningful story or video. Kids can do them on their own, with their families, or with their teachers. Just find your grade level and let the learning begin!
https://www.funbrain.com/		Funbrain offers hundreds of games, books, comics, and videos that develop skills in math, reading, problem-solving and literacy.
https://www.kidsdiscover.com/		Access Kids Discover's award-winning library of science and social studies material.

Kendall Learning Resources

https://www.readworks.org/		Read articles on a variety of topics. It includes reading comprehension questions.
https://bookcreator.com/	 BOOK CREATOR	Book Creator is a simple tool for creating awesome digital books.
