This is a two-part announcement regarding the Office of Title IX and Human Resources Services.

### Title IX

As the new Title IX Coordinator, I am excited to serve in this role to support our community as we work together towards creating a more welcoming and safe place for everyone.

Including me, the Title IX team consists of the following members serving as Deputy Title IX Coordinators and Investigators to support our efforts:

- Eloise Molock, Deputy Title IX Coordinator for Students
- Roz Prickett, Deputy Title IX Coordinator for Clerc Center
- Shana Daniels Sever, Deputy Title IX Coordinator for Faculty and Staff
- Liza Offreda, Deputy Title IX Coordinator for Athletics
- Amy Rousseau, Title IX Investigator for Students

If you need to file a report or speak to someone about a Title IX issue, there are several options. You can go online to the Title IX Website and click on 'Make A Report' or you can contact anyone on the Title IX team. You can find the Title IX team's contact information on our website. My office is located in College Hall, Room 110. I can also be reached via email at [titleix@gallaudet.edu](mailto:titleix@gallaudet.edu) or via VP/P at (202) 759-1734.

We will be providing training and programming throughout the year for administrators, faculty, staff, and students. Students began their online Title IX orientation and training before they arrived to Gallaudet. On October 1<sup>st</sup>, we will be implementing a mandatory Title IX online training to be completed by all administrators, faculty and staff. The mandatory online training has two components. Once Part 1 is completed, within 15 days you will be notified to complete Part 2.

Sincerely,

Jennie Sivak  
Title IX Coordinator
