After going through many years of high school, those seniors have experienced a lot! Read about some of their funniest memories.

My teacher accidentally turned on the eye wash on her own eyes when she was giving the class a demonstration!!

My 50-pound baggage's wheels broke, and I had to drag it across campus when I first moved in MSSD.. I nearly passed out with carrying it in the hot weather!!

I was running on the rocks in the pond near Gallaudet's cafeteria, and I totally klutzed out and fell on my butt....college students in the cafeteria saw!
