Thematic Analysis of Qualitative Data Evaluation

35 students participated in the internship program. The second question asked about further support needed:

How can program better prepare you to function as an entry-level professional?

- More samples/examples needed to be shown (13)
- “Better access to all internship related information (4)
  - How/to whom data will be reported? (2)
  - Site location? (1)
  - Upcoming deadlines need to be more clear (1)
- Ways to collaborate better with co-workers (5)
